

I am

I am LATHA MANGESHWARI.P I am a  
Team member of  
IBM project  
IOT BASED SMART CROP  
PROTECTION SYSTEM FOR  
AGRICULTURE .

I'm trying to

I am to complete  
my project in  
IDEATION PHASE

But

But it takes  
longer time to  
complete .

Because

Because the web is not  
having Mobile version  
So , Have to do on PC.

Which makes me feel

Which makes me  
more frustated .
