

I am

I am VIGNESHWARAN.G
I am a Team member of
IBM project
IOT BASED SMART CROP
PROTECTION SYSTEM FOR
AGRICULTURE .

I'm trying to

I am to complete
my project in
IDEATION PHASE

But

But it takes
longer time to
complete .

Because

Because the web is not
having Mobile version
So , Have to do on PC.

Which makes me feel

Which makes me
more frustated .
